Tahoma

Jane,
It sure has been fun knowing you this year. Hope to see you in Waterloo again.
Rick Kelly

Dear Jane,

I am sure I don't have need to tell you how sweet and good looking you are because we all know it. I am glad we were able to have gym together or we would be friends now. You've made gym a panic for me and I love ya for it. This year sure has gone fast thanks to you and Sara. You're both Donuts and am glad of it. I'd just like to tell you that I had a panic with you when we would good old gym leaders together and that I don't want you to feel bad just because they liked me better than you. We were lucky to get a class together this year, I think, so probably we won't see much each other. So you and Sara come and see me this summer so we can whistle out the little old ladies and take the Sting Ray down the escalators. If I can't make it out to your place do write me and tell me how you're doing, even though I am sure it will be good. Just think after a summer out there with all those boys, boy will you

Anne be a bunch of

Foreword

We, of the 1964 Tahoma staff, believe that our nation was founded upon a great Truth—that of the basic dignity of Man. This ennobling concept constitutes the theme of your annual.

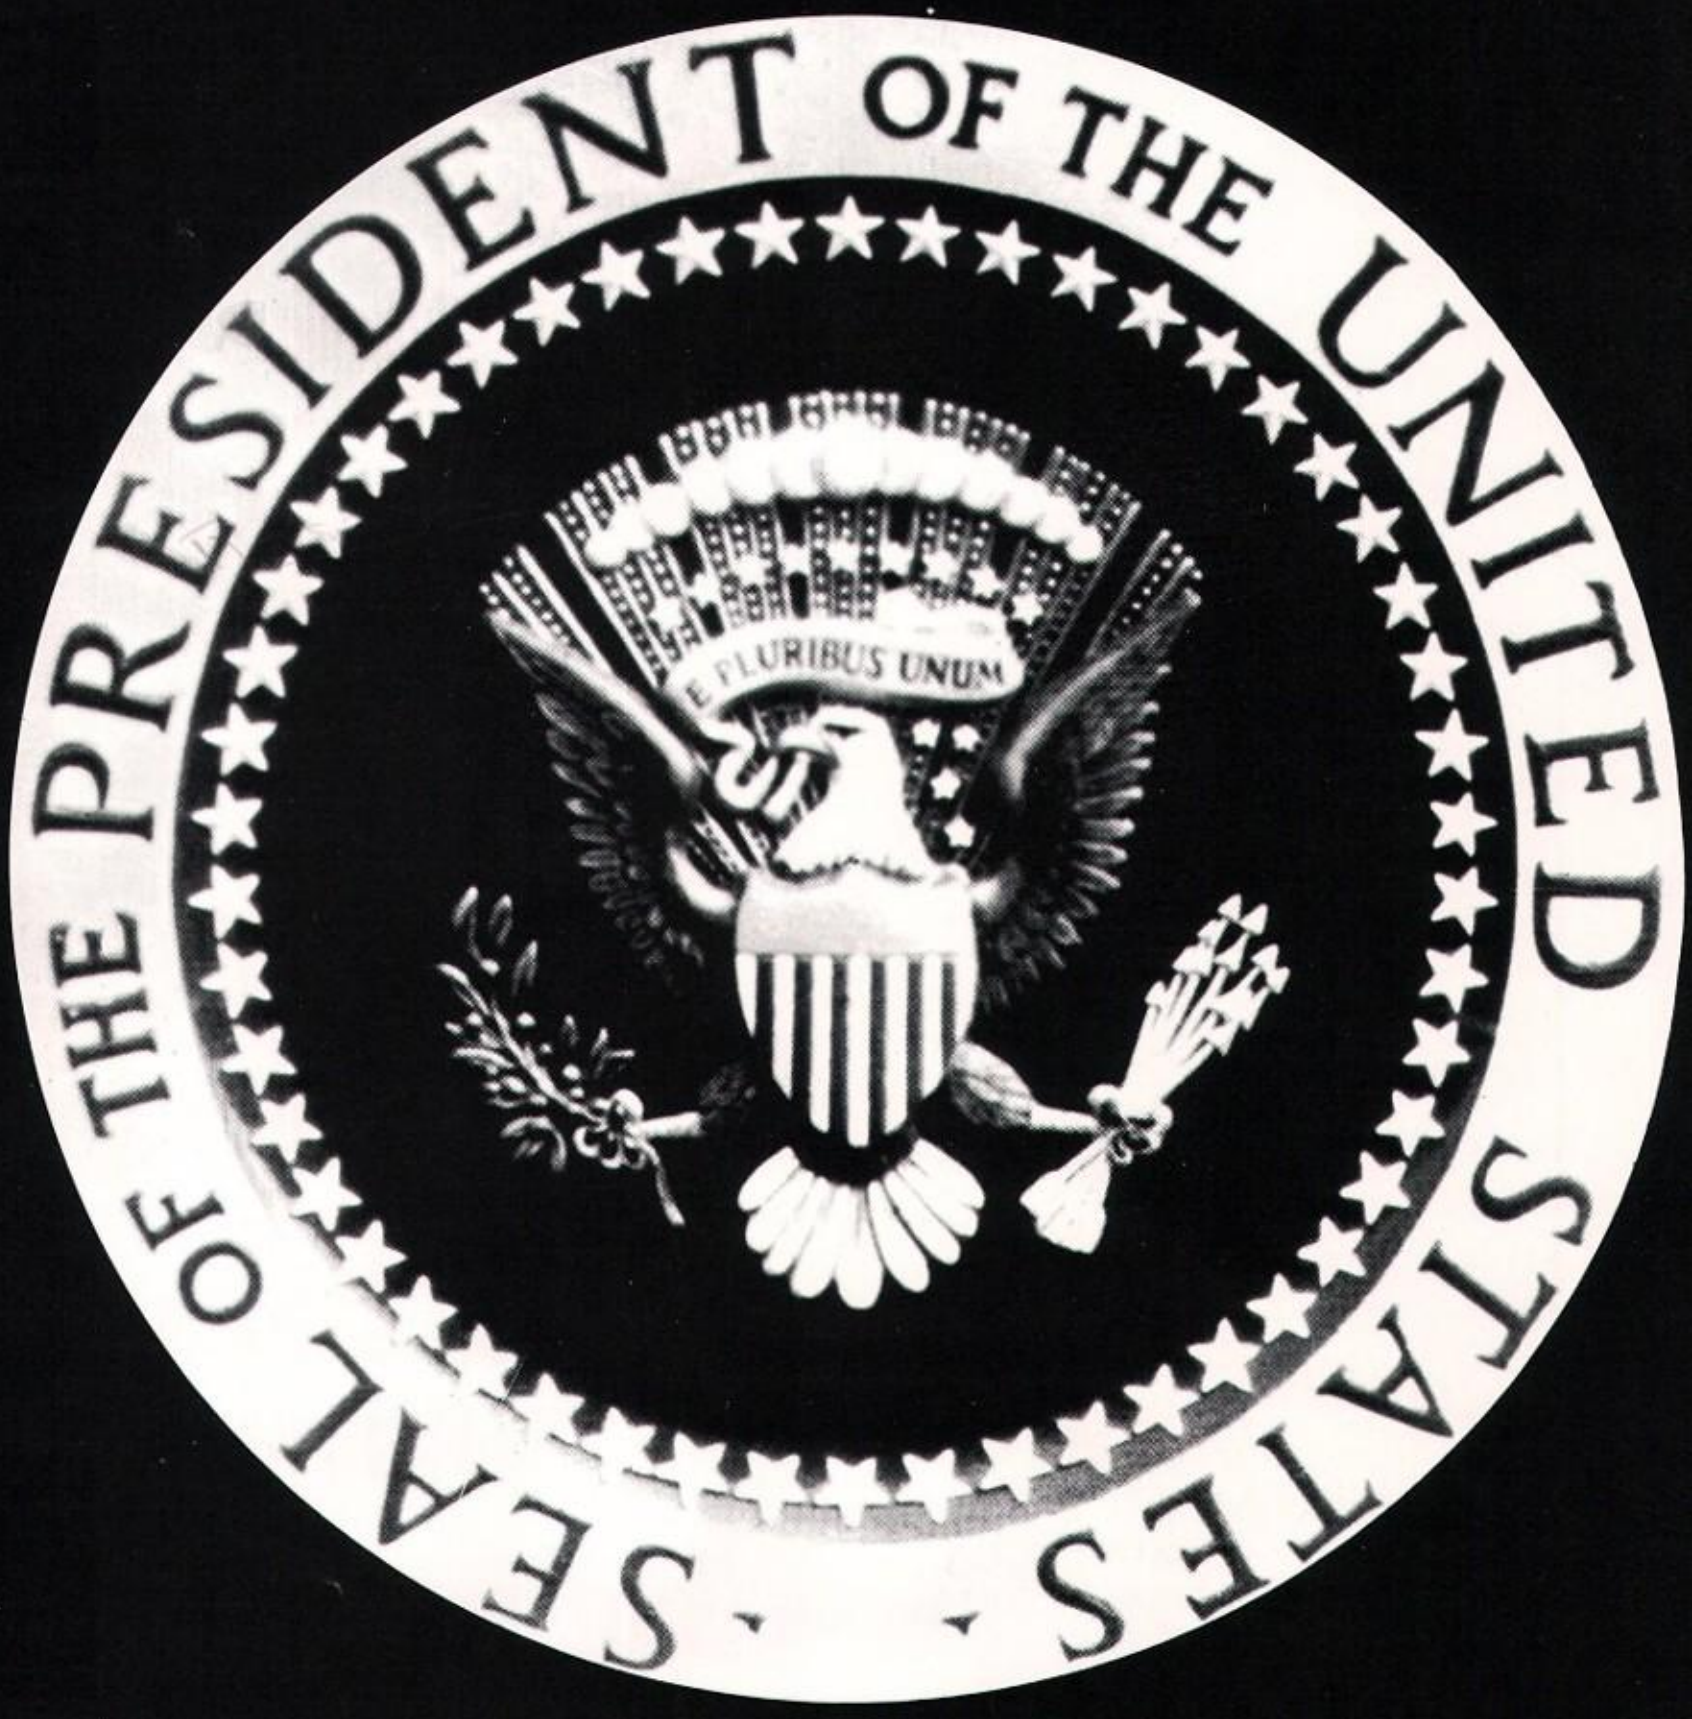
Man cannot flourish when enchained, either mentally or physically. He must possess certain freedoms, fundamental to Man, in order to be able to justify his existence, not only in the eyes of others, but in his own eyes as well. Unfortunately, many of us who have grown up with these concepts, have accepted them without reflection. This is ultimately disastrous, for freedom may never be taken for granted, to do so is a contradiction of terms.

In order to fully appreciate the importance of these basic freedoms, we must undergo the individual process of re-evaluating them, which may only be accomplished through questioning the authenticity of their very substance. We wish to produce a spark in those where none existed, and a desire to seek further in those inspired.

As Americans, we are well-acquainted with the symbols used to designate these individual freedoms, yet how many of us have taken the time to look deeper into their meanings? We have chosen to utilize these symbols in the dividers and in the end sheets which illustrate the words "For purple mountain majesties." Each of these symbols has at least two meanings, the literal interpretation is significant in its own right, yet each contains a deeper, more profound concept which transcends the here and now.

In our system of formal education, we are presented with the implements to discover these truths for ourselves, which we may use. Whether or not we choose to utilize them depends upon the student and the student alone. A true democracy cannot exist when composed of an uneducated populace. This great experiment in which we are living, is by no means as yet conclusively proven as successful. Indeed, many of our most brilliant minds feel it to be in its most precarious position. An overwhelming portion of this responsibility for our nation will soon be passed directly into the hands of our generation. Indirectly the responsibility for its future is already in our hands.

In keeping with this theme, the 1964 Tahoma staff has dedicated the book to our late President, John Fitzgerald Kennedy.



THE PRESIDENT OF THE UNITED STATES
SEAL
E PLURIBUS UNUM

JOHN FITZGERALD KENNEDY

1917–1963

In Memorium

Nothing can cover his high fame but Heaven;
No pyramids set off his memories
But the eternal substance of his greatness;
To which I leave him.

JOHN FLETCHER

Democracy cannot flourish unless knowledge is spread among the people. No other sure foundation can be devised for the preservation of freedom and happiness.

The Administration Inspires

Mr. Hayes, Principal

Thank you for the opportunity to congratulate the Tahoma staff and the class of 1964 for the production of this fine yearbook. Your record brings pride which we, as a faculty, share. Your graduation brings sadness and pleasure; sadness over the loss of friends, and pleasure over seeing you accomplish the dream of graduation.

Many of you will go on to meet the challenges of the world. From here on, future success is in your hands. You will learn that to be educated and efficient is not enough unless you have developed character. Each must apply to his life some knowledge of psychology, as well as ethical and religious conduct.

If you concentrate some attention on the feelings of others, you will inspire confidence and find new opportunities. Nothing for nothing is the strict condition of life, and where consideration is given, new affection, new respect, and new successes may be found.

Life in a free competitive democratic society requires each of us to learn the difference between "right" and "wrong," between "legality" and "morality." Each must learn to act for himself and to meet the consequences.

Please realize that, though you've graduated to greater challenges, we at Stadium are ready to assist, for we continue to share interest in your goals. Our sincere best wishes go with you.

Mr. Al Hayes

Students To Higher Ideals

To the class of 1964—Congratulations and best wishes for your future, and may the theme of your beautiful yearbook carry special meaning for you always.

For the past dozen years you have been striving for the day when you receive your high school diploma. It has already been said that all of us have been concerned with your education—not whether our schools are better than those of the past, for we know they are, but whether they are good enough for the future. The tremendous strides of technology and knowledge make it necessary to learn progressively faster and better in order for us to keep ahead. The transistor and the estimated 3200 Space Age items used indicate the rapid rate of change for which we must be prepared. We must be ready constantly to re-evaluate much of everything we know in terms of the new knowledge which keeps coming at us.

Never has the future held out so much promise as it does for each and every one of you. We hope that your preparation will be broad enough to provide the necessary flexibility and deep enough to provide the necessary skill for you to be able to adapt to any situation which may arise in the years to come.

As you go on to reach new goals and success, we hope you will remember your days at Stadium with a feeling of great pride and although we are sad to see you leave, we know that your class will make significant contributions in the years to come.

Mr. S. E. Mazzei

Mr. Mazzei, Vice Principal

THE OFFICE STAFF at Stadium has worked diligently throughout the year to keep the school running smoothly. The Main offce is the communication and information center of the school. All announcements come from behind these offce doors.

Many of the students are well acquainted with Mrs. Olson, a new addition to our school this year, who sold countless bus tickets and also provided change for those who needed it. Students who felt ill took their problems to Mrs. Kizer, the school nurse. Mrs. Peterson has also worked unceasingly during this past year, readmitting scores of pupils in the attendance offce.

All members of the staff have done fine jobs in assisting all of the Stadium students and the administration during this past year. They are a valuable asset to our school and certainly should be appreciated.

MR. LOYD R. PERCY
Boys' Counselor; Boys' Club Advisor; University of Puget Sound, B.A.; University of Minnesota, M.Ed.

STADIUM COUNSELORS were always available to help students with class schedules, personal problems, and future plans. Students often sought help and advice from Mr. Percy and Miss Sohlberg, concerning class schedules.

Miss Forbes spent long hours each day aiding college and career bound students. Scholarship information and application blanks were also obtained from the counselor's office. With the aid of an extensive college catalogue and vocational book library, students were able to make a more stable decision about their college or career.

Miss Forbes also supplied students with information about the numerous colleges throughout the country. Since the Juniors were also having college conferences this year, Miss Forbes was extremely busy and limited in time to be used for individual advice.

MISS HELEN L. SOHLBERG
Girls' Counselor; Girls' Club Advisor, Teachers Social Committee; University of Washington, B.S., B.A., M.A.

Mr. Percy talks with one of Stadium's students about his schedule for next year.

Miss Sohlberg offers to students information about many courses offered at Stadium.

Students Seek Solutions To

THE HISTORY DEPARTMENT offers a wide range of knowledge to Stadium students. Through history, students are able to observe possible solutions to many of the world's problems, and also find solutions of their own.

In Civics they learn about our own United States government; in World Problems they learn and study the problems confronting the world; in United States History they learn the foundations upon which our nation was established; and in World History they study the history of Europe, and of the earliest civilizations.

There has been a notable change in the World History course this year. In years past, this course was taught in a single year, but this year the History department experimented with a new idea. The course has been extended over two years, thus dividing the program. The individual sections are: Ancient History, Medieval History, Modern History, and Far East History.

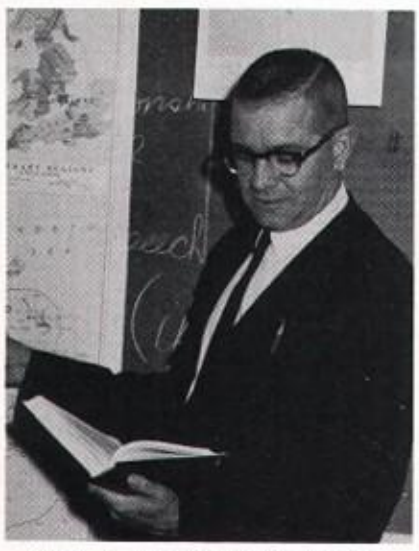
Foreign language students gain experience in the language laboratory while learning history.

MR. RICHARD LEWIS
English; Tennis Coach; University of Puget Sound, B.A., B.Ed.

THE ENGLISH DEPARTMENT is probably the main concern for all college bound students. It is in the English classes that students learn to compose, write, and appreciate good literature. Communication is a very important factor in our very complex world, and a person must be able to write or speak in the correct way so that others will have a full understanding of what he is saying. Studying the writings of certain great people in literature such as Shakespeare, Thoreau, and T. S. Eliot. students learn to develop a style of their own.

At Stadium there are many high achievement English classes, and capable students are urged to attend them. In Mr. Arpke's Advanced Placement class, exceptional students are further prepared for college. The knowledge that is gained in these English classes will be of unending value to Stadium students, no matter what their future plans may be.

MRS. G. MARTINDALE
English; Junior Class Advisor, Welfare Department Advisor; University of Puget Sound, B.A.



MR. J. VICTOR PARBER
English, Drama; Debate Coach, Drama Coach; University of Puget Sound, B.A., B.Ed.; University of Washington, M.A.

Mr. Parber pauses for a moment of meditation during a class discussion.

MR. H. J. ALBRECHT
English, Journalism, Public Speaking; Stadium World Advisor; Northwestern University, B.S.; University of Illinois, M.A.

Science Program Initiated

THE SCIENCE DEPARTMENT offered students many different courses this year in order to provide a broad basic program. Physiology, botany, zoology, chemistry, physics, physical science, and a course dealing with both chemistry and physics, were made available to the Stadium students.

Students have witnessed a change in the chemistry course this year. In the past, students have studied chemistry through the traditional approach—learning facts and then applying them. Now with the new CHEM study program, students learn through experimentation and procedure. This new program has proved to be of interest to both faculty and students.

Science has become an important, integral part of our society, and students are urged to take an active part in this program, and keep informed of the new developments and inventions in this field. The knowledge they attain will be of lasting value.

Classes become absorbed in explanation of mathematical concepts.

MR. MELVYN CHOPP
Math; University of Washington, B.A.

MR. JOSEPH H. KOSAI
Mathematics; Sophomore Basketball Coach; Eastern Oregon College, B.S.

THE MATH DEPARTMENT opens many new and extremely interesting fields to students. At Stadium there is a very wide selection of math courses, among them are general math, algebra, geometry, and trigonometry. There are also advanced classes in algebra and geometry for interested and capable students. Under the direction of Mr. Monroe and Mr. Kosai, there is a new integrated Algebra 3 and trigonometry class.

Through a deep study of math, a student may delve into many fields of advanced study. The field of electronics, which is a very prominent one today, is only one of the many areas of opportunity open to a math major. If taken hand in hand with science, even more opportunities await the eager student, since space travel seems to be the dominating objective of today.

THE FOREIGN LANGUAGE department offers a wide range of knowledge, pertaining to the peoples of the world. The knowledge that is gained when studying a foreign language may only be exceeded by travel to various lands.

After a two-year lapse, there is again a third year Latin class. Interested students may now take one to three years in Latin, German, French, Spanish, or Russian. The language laboratory, with its records and tape recorders, is often used by the language classes. All classes give a basic understanding of the people, their history, and their customs.

Students who partake in the Foreign Language program are often interested in the foreign exchange program. If a student has had at least two years of a foreign language, he has an excellent chance of becoming an exchange student.

HOME ECONOMICS enables girls to gain valuable experience for the future. It develops their ability to organize time and learn to recognize desirable standards in clothing and foods.

The clothing students were busy with numerous projects this year. They presented a fashion show, proof of the effort which they had exerted.

In the foods classes, Miss Davies started the year with the study of nutrition. Later, the girls became experienced in table settings and meal planning as well as in cooking. The skills and knowledge that they acquired in these classes will be useful in the future.

Fitness encouraged

HEALTH AND GYM, being graduation requirements, are taken by students entering Stadium as sophomores. When properly taken advantage of, these two subjects can be very helpful to students. If students have not yet learned to swim when they enter Stadium, they are given the opportunity to do so. Participation in extracurricular sports during the junior and senior years at Stadium is greatly encouraged, not only by the faculty, but also by the counselors. Health classes are also advantageous, for they relate information on how to keep the body in good condition. At Stadium, a strong and healthy body as well as a strong mind is considered to be of great importance. Stadium students should appreciate this concern for their future life.

MUSIC AND ART have always been an integral part of America's culture, and the members of these departments have done a notable job in carrying out this tradition. As usual, Mr. Margelli has put forth a tremendous effort to prepare the choir and Madrigals for their various performances throughout the year. Mr. Wheeler has been a driving force in making Stadium's band and orchestra among the best in the state, and in maintaining its perpetual high standard of quality. Tigerannas Don New Outfits

THE TIGERANNAS pleasantly surprised the Stadium student body when they appeared in their smart royal blue marching outfits which were purchased during the summer. This year the drill team was the best marching unit in the city. They were able to attain this goal by practicing with Stadium's marching band during the early morning hours before school.

Under the capable leadership of President Gayle Gipson, the Tigerannas presented many excellent performances.

The Turkey Day Game half-time presentation was an exceptionally well-planned program. The Tigerannas and Stadium's marching band combined with Lincoln's drill team and band to pay special tribute to President Kennedy by displaying the American flag in the middle of Lincoln bowl.

The Veterans' Day Parade, Tacoma's Santa Claus Parade, and the Daffodil Parade constituted the remaining Tigeranna marching assignments for the year.

Professional whistle blower, Gail Gipson, President; and her cabinet L. to R.: Patty Krier, Treasurer; Karen Kliese, Vice-President; and Sharon Young, Secretary; drilled Tigerannas for their many performances.

THE ORCHESTRA participated in many successful programs this year. A holiday concert was presented in December which featured traditional Christmas music. In February the orchestra members performed in the annual "Winter Carnival." The Saints-psalms "Carnival of the Animals" was presented as its major work.

In addition to these programs the orchestra also took part in a spring concert in May.

To raise money for activities and a spring trip to Western Washington, the orchestra held its annual Almond Roca candy sale.

Several of the orchestra members represented the group at the State Orchestra Meet held in Yakima.

Concert And Marching Bands

THE BAND completed one of its most active seasons at Stadium this year. Making a vital contribution to school spirit, the members of the band entertained at numerous games, parades, and concerts, involving many hours for practice and performance.

The band went to Abbotsford, British Columbia to participate in a music festival. This was one of the highlights of the year.

This year the concert band combined with the cadet band to form a 108 piece marching unit. The marching band was the best in the city.

In January the annual mid-winter concert was presented. Continuing their traditions of achievement, individual members and the band as a whole participated in February and April. Other second-semester functions were the Daffodil parade and commencement.

Mr. Joseph Wheeler, director of Stadium's concert and marching bands, displays his usual style.

A CAPELLA CHOIR presented masterful programs throughout the year. During December the choir joined the Madrigals and the orchestra to present a holiday concert of traditional Christmas music. The major accomplishment was the presentation of the Bach Cantata, "Christ Lay in Death's Dark Prison."

This was a year of great growth for the vocal department. Over three hundred choir and chorus members participated in the commencement program. Also, a Girls' Ensemble was formed in the spring.

One of the highlights of the year was the success of the Stadium Madrigal Singers. The *Seattle Times* devoted a complete color section to the Madrigals. In addition, a Hollywood photographer came up in April to do a color article for a national magazine.

THE FALL WORLD STAFF covered school activities and sports events, expressed student opinion through editorials and letters, and carried the weekly events of the different Stadium organizations.

Members of the fall World staff started work with a great deal of anticipation. The first edition was designed to unite the student body for the coming school year.

The outstanding events of the semester for the World were the Thanksgiving edition of the World, which included a tribute to the late John F. Kennedy, and the Christmas edition which helped to capture the seasonal feelings of all Stadiumites.

THE SPRING WORLD STAFF, assisted by Journalism I students, gave complete coverage of school activities and other events which affected the life of the student body and faculty. Upholding all past journalistic tradition of school support and improvement, the staff also sought to improve its workmanship and attempt new and progressive ideas.

Although they received little in commendation and publicity, the members of the advertising staff played a major role in making the Stadium World available to all its readers. The ad chasers also gained extensive experience by their contact with the business world.

After several different ideas were considered, the theme of the Tahoma was finally decided upon in late September. Some of the problems facing the staff were unrequited loves, procrastination, politics of Tacoma which hindered our choice of printer, and especially sheltering Mr. Malyon from the truths.

Capturing and recording the high points of the year and the faces of those that participated in them is a never-ending, year-long struggle. Hours of tedious planning grow into evenings of writing and editing, or days of picture-taking and nights of developing prints, or anxious moments in laying out those pictures. Looking forward one can only hope that the result, so permanent in black and white, will be cause for happiness in the end. To try and achieve this goal the staff has made several changes in the format of the Tahoma. The staff sincerely hopes this book has depicted life at Stadium as you remember it.

VARSITY FOOTBALL experienced one of its more successful seasons in recent years at the Brown Castle, climaxed by the Tigers' return to the Turkey Day classic. Overall, the Bengals finished regular season play with a 3-5 record, one that wasn't truly indicative of the type ball the Tigers played, as they lost four times by the margin of a single touchdown.

Coach Levinson experimented in the early part of the season with the "I" formation, but failure to find adequate personnel prompted him to revert back to the more conventional "T" formation and make several line-up changes which resulted in a smooth functioning offense. A pleasant result of these changes included the sophomore aerial combo of Bob Botley-to-Andy Levesque which accounted for several clutch pass plays, and the play of end Bob Brines who was moved to center after the injury to Bill Hays.

Another reason for the Bengals' improved play was their rock-ribbed defense and outstanding line play. Outstanding in the line were Tom Benedetti, Bob Thompson, Louie Jackson, Greg Rawlings, and Brines.

The Turkey Day classic was a fitting climax for the Tigers' efforts. Remembering that season records were no yardstick by which to predict outcomes, Stadium battled stubbornly before bowing to Lincoln 21-7.

KUDOS, the outstanding players, consisted of seven Tigers singled out by their teammates, coaches, or by sportswriters to receive honors. Center Bob Brines was named honorary captain and inspirational player by his teammates. The stocky senior was moved to center after an injury to Bill Hays, where he performed brilliantly. The coaching staff also tapped Brines most improved player, named fullback Phelon Cole best blocker, and halfback Richie Smith best tackler.

Stadium landed only one player on the 22-man Capital League All-Star Team as the sportswriters chose Phelon Cole at 2nd Team Fullback. Although the Tigers failed to land a player on the All-City First Team, five were chosen on the second unit. These included Bob Thompson, tackle; Bob Brines, center; Tom Bennedetti, guard; Richie Smith, halfback, and Phelon Cole, fullback.

RESERVE FOOTBALL, in addition to giving boys a chance to improve their skills and fundamentals under watchful eyes by helping the varsity prepare for their weekly encounters, let the boys gain actual playing experience by scheduling its own series of games with other reserve teams on Monday afternoons. Coached by Mr. Jack Heinrick, the reserve team was composed mostly of those varsity players who saw little or no action in the varsity contests.

The reserves featured a wide open offense, highlighted by the running of halfback Eddie Morris, and rock-ribbed defense, led by a staunch forward wall. They defeated the Bellarmine Lions, Mount Tahoma Thunderbirds, split in two meetings with the Wilson Rams, and tied the Lincoln Abes to compile an overall record of 3-1-1, the best Stadium reserve team record in the past several years. With most of the reserves being either sophomores or juniors, Coach Heinrick feels that they should lend plenty of support to next year's varsity.

SOPHOMORE FOOTBALL gave many of the sophomore boys their first chance to play organized football. They played against all the Capital League schools with games scheduled on Monday afternoons.

The sophomore team was composed of those lacking the size or ability to play with the varsity or the reserves. Coached by Mr. Herb Godfrey and Mr. D. L. Johnson, the squad of about thirty-five boys learned and practiced the same basic fundamentals and plays that are used by the varsity.

Because of the large number of Sophomores playing with the varsity and reserves, the team's depth was sharply limited, and as a result the Tiger Cubs failed to win a game in five outings. However, both coaches felt that the team gained a great deal of playing experience that could be helpful on next year's varsity.

The highlight of the season was the West Bremerton game played in the Stadium Bowl where the fired up sophomores met a stubborn Wildcat eleven and battled hard before bowing 13 to 7.

VARSITY BASKETBALL didn't fail in providing Stadium fans with the thrills and excitement that have characterized Coach Jack Heinrick's quintets over the past five years. Relying on the heroics of forward Bob Sloan, who rewrote both school and city record books, and a coordinated effort from the entire team, the Tigers displayed an impressive amount of hustle and determination in compiling their 8-12 season record.

Bob Sloan, in addition to setting school and city scoring and rebounding records, led the state's AA schools in scoring. Twice he poured in 38 points to tie the city league record, and against Wilson in their gym he bucketed 39 points to shatter former Tiger Charlie Williams' record. Sloan also established records by connecting for 17 free throws in one game and by picking off 33 rebounds in another contest.

Two victories to be remembered include the Tigers' 68-67 triple-overtime win over Bellarmine and the 52-51 triumph over Lincoln, knocking the Abes from the ranks of the unbeaten.

At the end of the season, guard Don Burrell and Sloan were named co-captains by their teammates. Sportswriters also tabbed Sloan as a unanimous pick on both the All-City and Capital League Team and on the All-State Non-Tournament Team.

RESERVE BASKETBALL offers sophomores and juniors an opportunity to learn basketball skills and, at the same time, grooms them for varsity experience. They play a schedule comparable to that of the varsity's, meeting all the Capital League and City League squads.

Coached by Mr. Max DuBois, the reserves finished the season with a 5-8 record, becoming stronger at the end by winning three out of their last five games. Throughout the entire season the reserves possessed a great deal of spirit, exciting the crowds with their brand of ball.

Johnny Merrill, Reggie Dillon, and Bob Botley were the most consistent offensive performers.

SOPHOMORE BLUES, upholding the best traditions of Stadium's athletic teams, finished the season in a tie for the Sophomore League Championship with the Wilson Blues and the Bellarmine Frosh. The Blues compiled a 12-2 log, losing only to the Bellarmine Frosh and their arch rivals, the Stadium Golds.

Coached by Mr. Dwayne Westlin, the Blues combined a good scoring punch and a tough defense to produce their outstanding record. Coach Westlin felt the excellent showing made by the Blues resulted from their willingness to learn fundamentals and their determination to practice and use what they learned. Although guard Travis Thorne and center Ed Horn often supplied much of the offensive punch, the whole team worked as a unit as they rolled over the opposition. With the experience they gained this year, Coach Westlin feels that many of the Blues will help next year's varsity and reserve squads.

SOPHOMORE GOLDS, coached by Mr. Joe Kosai, comprise one of Stadium's two Sophomore basketball teams. Sophomore basketball not only affords sophomore boys a chance to learn and play basketball under the supervision of experienced coaches, but also serves as a feeding system for the reserve and varsity teams.

The Golds compiled a 7-7 record, with most of the losses a result of scant margins or overtime play. Featuring the fast-break whenever possible, the Golds relied upon outside shooting and good rebounding to spark their offense. Coach Kosai stressed the fundamentals of basketball by teaching his players the rudiments of shooting, rebounding, and play-making. He felt the experience gained by his players through learning and practicing these basics diligently throughout the season should make them valuable assets to next year's reserve and varsity squads.

SOPHOMORE GOLDS: L. to R. Bottom Row: B. Robison, J. Emery, R. Johnson, E. Miller, E. Smith. Second Row: Coach Kosai, F. Burrell, A. Levesque, B. Bailey, A. Dillingham, B. Walker, J. Loomis, S. Ekberg.

VARSITY WRESTLING for the third straight season wrapped up both the City and District championships, thus bringing Coach Herb Godfrey his third city title in as many years. Led by co-captains Marshall Robinson and Jim Hennefer, the Tiger matmen also finished second in the Capital League, trailing West Bremerton.

Coaches Godfrey and Woelfle had a difficult time dividing the wrestling aspirants into varsity and reserve squads, although the return of seven lettermen from last year's championship squad helped to lessen the task. The varsity wrestled against some of the top teams in the state, including Bethel, Auburn, Puyallup, and Olympia. The reserve team, always a strong factor in Stadium's wrestling prowess, often wrestled preliminary to the varsity matches.

The Tigers were exceptionally strong in nine weight classes, receiving help from some of the reserves and incoming sophomores. Top performances were consistantly given by Jim Hennefer (14-0), Marshall Robinson (13-1), Don Wonders (12-2), Tom Benedetti (9-3-2), and Ron Jakes (9-2-3). These five represented Stadium in the state meet with Robinson the only one placing, capturing second place in the 148-pound class.

VARSITY SWIMMING welcomed back eight lettermen from last year's City and State second place finishers. Led by co-captains Jerry Tauscher and Lyndon Meredith, and Junior Carl Rutherford, this year's edition again captured second place laurels in the City Meet, but finished in a tie for third place in the State contest, one-half point out of second. Coach George Engelland's tankers exemplified a high degree of skill and endurance as they consistently rolled up victories by commanding margins, losing only to Wilson, Highline, and Cascade Swim Club of Everett.

Unlike last year's swimming team, which was heavily dominated by Chuck Richards and Chuck Larson, this year's team featured few super-stars, but instead a more overall depth, which aided the Tigers in pulling out many swim meets. Consistent performances were usually given by Carl Rutherford in the Individual Medley, Mark Peterson in the Diving events, Jerry Tauscher, Bob Sheldon, and Glenn Carlson in the Free-style, and Lyndon Meredith in the Backstroke.

As a preliminary to the regular swimming season, the swimmers condition themselves by participating in water polo. This year's team completed a highly successful season, claiming victories over Wilson and the University of Puget Sound.

Last year's Tiger cinder team looked particularly impressive in the Clover Park Invitational, the Daffodil Relays, the City Meet, and the West Central District Meet, establishing new records every time out.

Among the returning lettermen were sprinters Dave Richards and Ed Morris, two of the members of last year's crack 880-Relay Team, who, along with Charles Fletcher and Bob McCarthy, lowered the state record to 1:28.5 at the State Meet.

This year's team participated in dual meets with all City and Capital League schools in addition to entering the Daffodil Relays, Highline Relays, Clover Park Invitational. Consistant performances were usually given by Dave Richards, Jack Hart, Mike McDaniel, and Reg Dillon.

VARSITY BASEBALL put the emphasis on youth this season, fielding a team largely made up of juniors with only two seniors returning from last year's squad. Due to the inclement weather in early March, Coach Ted Kintz was forced to start workouts in the gym before he was able to move practices to Jefferson field, and as a result, the Varsity stepped right into action with only indoor preparation.

Led by captain Tom Winmill, this year's team displayed tremendous desire and hustle as they made a serious bid for the City and Capital League titles. In addition to center fielder Winmill, other returning lettermen included pitcher Lee Brooke, outfielder Don Burrell, catcher Jerry Hicks, infielder Dick Marzano, and first baseman Mike Irwin.

Stadium played an eighteen game schedule, meeting all teams from the City and Capital Leagues, plus teams from Curtis, Puyallup, Lakes, and Federal Way. In May the Tigers joined with the other City League schools to participate in the second annual Diamond-Go-Round, held at Cheney Stadium. Both Varsity and Reserve home games were played at Jefferson Field, but only the Varsity practiced at Jefferson as the Reserves practiced in the Bowl.

Those returning from last year's squad, including Jeff Doll, Ron Deaton, Bill Pirie, Jay Stern, and Charles Anderson, plus last year's reserves and incoming sophomores participated in practice rounds at Allenmore Golf Course in early March in order to determine this year's varsity squad.

The golfers participated in both the City League and the Capital League, playing their home matches at Allenmore. It was on this course last year that Charles Anderson recorded the remarkable feat of shooting two hole-in-ones, one coming in a practice round and one in regular match play. VARSITY TENNIS started workouts late in February in anticipation of repeating as City League and Capital League champions. Coach Richard Lewis' prospects for repeating both titles plus a chance for a strong run for the state title were greatly enhanced by the return of three lettermen from last year's squad. These included Steve Finnigan, undefeated last year in all but one match; Don Rudell, and Mark Morrill. Help was also expected from junior Glenn Carlson and sophomores John Loomis and Blaine Walker.

In addition to facing all City League and Capital League schools, this year's team took on teams from both the Seamount League and Puget Sound League. Regular practice sessions, plus home matches, were held in Stadium's tennis court where challenges were regularly held to determine the ranking of the top ten players.

CHESS CLUB: L. to R., D. Russell, P. Barton, E. Sund, Mr. Jarmon, S. Daniels, F. Brock, B. Russell.

THE CHESS TEAM lost all the members from last year's championship team and was forced to enter this year's competition with a much less experienced team made up of mostly sophomores and juniors. Although they failed to successfully defend their title, this year's team finished second, losing only to the champion Wilson team.

Coach Ron Jarmon's chessmen were chosen from the best players from the Chess Club, and the top five players represented Stadium in the Pierce County Chess League, playing against all other City League high schools, plus Franklin Pierce. Top performers were Paul Bartron, Fred Brock, Don Russell, Ed Sund, and Shannon Daniels.

Marksmen Place In League

RIFLE TEAM is composed of eight marksmen from the Rifle Club who compete in the Northwest Evergreen Junior Rifle League, made up of teams from all Tacoma public high schools, plus teams from Lakes, Puyallup, Clover Park, Curtis and Evergreen. Rifle team members shoot from Oct. to May and all matches are held at the Point Defiance Rifle Range.

Coached by Mr. Everett Bedford, the rifle team holds its matches on Monday afternoons, and although each team may fire eight men, only the top five scores are counted toward the team's total points. Always near the top of the standings, the Tiger marksmen displayed excellent drive in attaining this past season's excellent showing.

Managers and Trainers aid Stadium teams and athletes.

MR. MURRAY HEALY
Athletic Director

MR. NORM BORELL
Trainer

A large part of the work that goes into the operating of Stadium's athletic plant is the responsibility of athletic director Mr. Murray Healy. In addition to supplying the teams with equipment and supplies, he also schedules games with other schools and supervises the issueing of athletic equipment by the athletic managers.

The athletic managers, working under the supervision of Mr. Healy, are in charge of the athletic supply room and handle the equipment of the athletic teams. Accompanying the teams to their contests, the managers are responsible for seeing that all athletic equipment is in perfect condition. Serving as managers this past year were seniors, Paul Snyder and John Pellesier, juniors, Ron Winchester and Ken Weis, and sophomores Guy Shipley and Mike Hakola.

Responsible for seeing that Stadium athletes are in top physical shape during football season is the job of Mr. Norm Borell and the First-Aid managers. As trainer, Mr. Borell's duties include checking all injuries, providing tape and ankle wraps for athletes before practice and games, and, in addition, acting as supervisor of the First-Aid room.

Working under the supervision of Mr. Borell were the First-Aid managers, whose duty it is to assist the trainer, not only on the field where they attend to minor injuries, but also in the First-Aid room where they supervise use of the rubbing table, whirl-pool bath, and other apparatus. Bill Sauders was the head First-Aid manager this year, and assisting him were Jim Rigney, Mike Revis, and Mike Sauders.

Big S Enjoys Spirited Year

BIG S, open to any boy who had earned a varsity letter, completed a fruitful year by engaging in several sales and service projects. Led by President Tom Winmill and advised by Mr. Ted Kintz, the lettermen's honorary met Wednesday mornings before school.

At the start of the year, Big S helped to welcome the incoming sophomores and new students by co-sponsoring the Howdy Dance with Triple S. They assisted Boys' Club at the Thanksgiving Assembly by ushering and by boxing the food from the food march. In December, Big S sponsored a dunking booth at the Senior Class Carnival, where Stadium students were offered a chance to dunk Mr. Kintz or Mr. Martin. Just before Christmas, Big S sold Christmas trees in the court, donating the ones that weren't sold to needy families.

In March, Big S sponsored its annual Big S-Faculty game and dance, featuring an athletically-laden faculty team and senior members of Big S. The proceeds from the game went into the fund used to help purchase insurance for Stadium athletes.

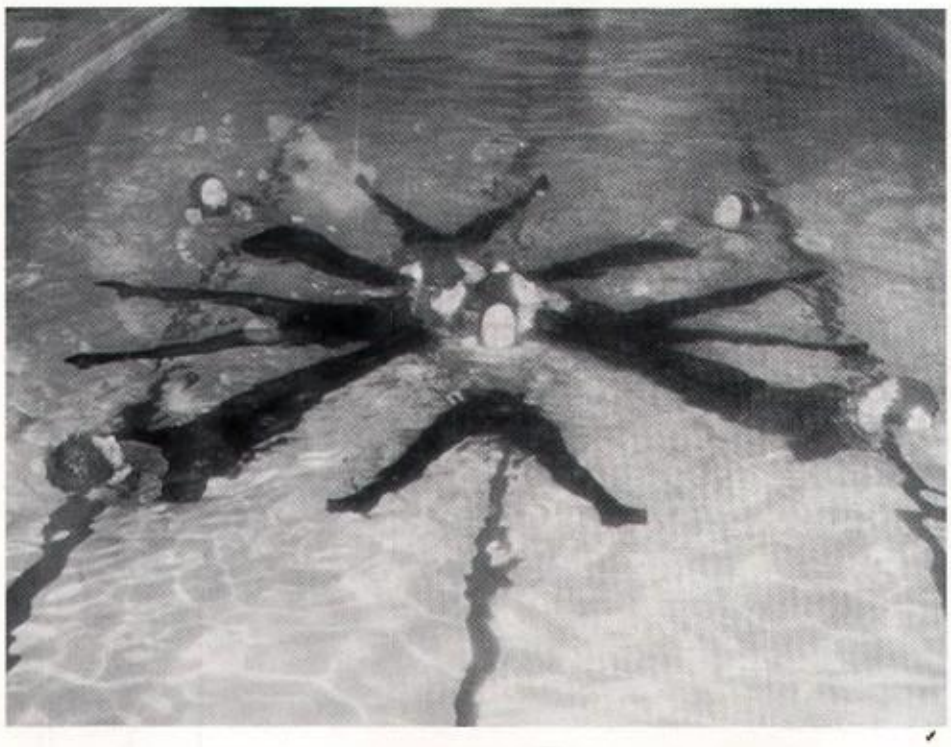
Showtime Awaited Anxiously



Blub, blub, blub . . . I believe I'm sinking!

ROYAL FINS, the girls' syncronized swim organization at Stadium, demonstrated the qualities of effort, originality, and swimming ability. This year the group consisted of twenty-four agile mermaids who worked together to produce a spectacular show in the spring. The new Royal Fins were chosen last fall and soon were integrated into special swim units. Each unit was responsible for originating a routine and creating appropriate costumes to carry out the theme of their annual performance. Each Thursday the members practiced diligently to perfect their water ballet skills in preparation for the show, "The Worlds' Girls," on March 19-20. As the final weeks of nightly practices drew to a close, scenery was constructed, costumes fitted, and the finishing touches completed. The successful production was staged in the girls' pool amid music and decor depicting many lands, and concluded the year with a resounding "Splash!"

Stadiana Girls Improve Skills

STADIANA, the Stadium Girls' Athletic Association, helps to instill strong character through good sportsmanship and athletic achievement. This goal was met in many rewarding ways as the girls enjoyed athletic activities during the year.

Meetings were held on the first and third Mondays of each month, often with an interesting program, speaker, or seasonal party following. Membership was achieved by earning a first year athletic letter. A girl could then work for her second, third, and fourth year letters.

Along with promoting sports, Stadiana supported the "Tigers" by selling booster ribbons. The annual Sweatshirt Sale in November created additional school spirit. The students' enthusiasm showed their approval of the new style, colors, and design.

After collecting and punching tickets at games, sponsoring a bowling team, and leading Saturday hikes, Stadiana concluded their successful year with a scenic cruise of Puget Sound.

To "Light the Stadium Bowl"

STUDENT COUNCIL enthusiastically led the student body to once again defeat Wilson with a 95.2% sale of activity tickets. With the sale of bowl stamps and two weiner roasts held in the fall and in the spring, Council raised money to help light Stadium's bowl. Other projects sponsored by Council included the Queen's Crown Dance held in the Stadium gym, Homecoming activities, Sports Recognition Night, and the installment of speakers and acoustical tile in our gym.

With a new advisor, Mr. Brown, Student Council divided into numerous committees to help distribute the responsibility of leadership among all members. Vice President, Marshall Robinson, led the House of Representatives, which aided Council in governing school activities. To climax a very rewarding year, Student Council sponsored a memorial assembly in the Stadium Bowl.

THE SOPHOMORE CLASS displayed their enthusiasm and unity by their many projects. A fortune-telling booth in the Senior Class Carnival was the first sophomore project. Following this came their profitable "Final Fling" dance, giving the entire student body an opportunity to celebrate the semester's end. The Sophomores' main money-making project of the year was a Return Address sale. Also contributing to their treasury were funds raised from a rummage sale and a car wash. The money gained from this sale was used to help finance the annual Junior Prom. The Prom's unique theme, "Midnight in Athens," was artistically carried through with impressive replicas of Grecian columns decorating the dance floor. For the enjoyment of the entire student body, the Juniors sponsored Stadium's first Hootenanny, featuring some of the area's leading folk singers. Exchange Student Program

AFFILIATION CLUB helps provide Stadium with a taste of foreign culture through exchange of materials, information and, most of all, students. To raise funds for our exchange program, Affiliation Club held a profitable stock sale in competition with Peninsula High.

Stadium was fortunate to have three students abroad this year. Jill Boronda, our official exchange student, spent her year in Solingen, Germany at the Geschwester-Scholl Schule. Sandy Tuell and Karen Carmean stayed with host families in Braunschweig, Germany, and Geneva, Switzerland, respectively.

At the beginning of the second semester, Stadium welcomed two foreign students—Gabriele "Gabi" Lube of Braunschweig, Germany, and Rodrigo Martinez of Mexico D. F. Mexico. Both students were active and well liked during their short stay at Stadium.

Discussing Affiliation activities in a German atmosphere are Allan Branscomb, Gabi Lube, Beate Ermisch, and Charlene Lamb.

The necessary adjustments made, our sophomore class formed a forceful part of Stadium's student body. The active participation of classmates in the year's projects demonstrated their enthusiasm. THE HALL OF FAME is composed of outstanding seniors chosen by the class of 1964. Deep thought and consideration were put into the selection of these truly deserving people.

The senior "Boy and Girl of the Year" were selected on a basis of their school spirit, citizenship, leadership, service, academic achievements, and their participation in activities while at Stadium.

Two original honors added to the Hall of Fame this year are the "Most Humerous," and the "Most Sincere."

ANDREA McLARNEY and TOM WINMILL
FRIENDLIEST

Those among us who possess these admirable traits of wittiness and constant sincerity will now be remembered by our class in the years to come.

Other honors represented here are also regarded with the highest esteem and pride by our many classmates. These eighteen students have been great assets to Stadium, due to keen and active interest in their school. Thus, on these several pages are recognized those fine, active seniors who helped to make this a top-notch class.

TOP TWENTY is an honor earned by twenty seniors having the highest accumulative grade point average in their class. Throughout their three years at Stadium, these students have done their utmost to achieve the admirable record for which they are now honored. Obtaining a position on the top twenty is an extremely difficult feat. Out of over four hundred graduates, the highest accumulative grade point average was 4.0. This constitutes a record of straight A's all through high school.

The final top twenty rating was announced during the third quarter of our senior year, according to the average of third quarter grades. As might be expected, from the beginning of the year a keen interest was shown by those students on or near the top twenty as to their pending rank in the class. With the coming of semester grades in January, a tentative estimation of the top twenty could be made. A few changes were already made from the list as it appeared at the start of this, our final year. The third quarter, the most difficult and trying quarter for many students, produced the final list of the students who had qualified themselves to receive this honor.

Miss Forbes, Stadium's diligent college counselor, has devoted a great deal of her time to averaging grades and formulating class ratings for every student. She has always been more than willing to assist students in regards to class standings, college information, test requirements and other matters.

As a whole, the graduating class has made a creditable record for itself academically, as well as in other categories. These top twenty members are representative of this fine record achieved by the class of 1964.

Miss Forbes, Stadium's college counselor, reveals the Top Twenty ratings.

Jane,
I truly like your cute smile and wonderful personality - please stay that way. Best of luck to you in the future years to come. I hope you receive all the happiness you deserve. Have a nice summer. Stay good & bless you always. I'll never forget you. Love ya,
Perky

And the star-spangled banner in triumph
shall wave
O'er the land of the free and the home of
the brave.

Jane,
I'm really make me mad not coming back. Helen makes me sick! Maybe I'll quit! I really love you dearly and I wish I could be with you all the time & if I don't see you this summer I'll kill myself. Love Colleen YOUR LOVER

My Dearest Darling Jane
We have had a lot of fun this past year because we both are real nice people. Anyway you are a real nice one at that, & I hope to see you at a lot of these places one of these days you are a good place one of these days you are a good place to get out to your beach but when I return, I don't know if only hope you know it. I close as sweet as you are and don't forget to write. The best of luck always and God bless

Love ya
Jim

Jane—
I hope I can get you in one of my classes next year, because I've enjoyed Englishes this year. You've contributed a lot to class, so keep up the good work.
Andy Westby
Teenague

Dear Jane,

This is going to be easy to write a long letter, because there is so much to say: such as:

1. You're a real nut and kept me in a good mood all during English. I had such hysterics on that Julius Caesar recitation when we all were so good on the all:— Wasn't that nutty?

2. I only got to be in your swimming and gym class for one semester, but you are such a wonderful swimmer! I'm going to try hard to be in Royal Fins next year. I'll never make it, but I'll try hard. Gym class was fun, too.

My one wish about you is that you'll be in some of my classes next year. It would be so much fun to kid around again, so you make sure that you are in at least one class. I should die of remorse if you're not!

Please remember every detail about J.D. this summer because you have to keep me posted on all his doings. If you ever see him do a bad thing tell him how bad he is, from me. I want him to be a good boy (ha!) and to act as sweet as he looks.

Don't do anything rash this summer - such as break your neck or leg or anything. Don't steal the car too many times and don't water ski on no skis (you know - on your feet) or anything because I want to see you in one piece next September. Don't get a dark tan, just a light one, because otherwise I get jealous.

Take care of J.D. and Sara and everybody.

Be nice, but don't do anything bad (with boys - especially the ones out at your beach? - they're the worst kind.

I can't think of anything else to say except:

I like you so much
Don't forget me ever
Good luck always
Have fun always
and see me next year

Lots of Love,
Judy Galleros

Dear Jane,

It has been very nice knowing you this last year in Lit. I hope you have a lot of fun this summer. Good luck and best wishes in the future

Carol Luebke

I am!
Just think! Before,
when we were children
last year, and in Jasmine (echoh), we
were lowly freshmen! Wow we are
all grown up and juniors. Don't science wonderful?
While I am in Mexico and L.A. and N.Y this
summer, driving all over & swimming, & you are
working at that house vacuuming their boat, I will
even think of you once in a while (maybe)! Well,
since I have used lots of time, now, and room, and yours
about to kill me, I'd better end now.

Love 'n Kisses
Steph Faber

P.S. When will you get your license as soon as you can drive?

Dear Jane, (stretch)
you know it feel really lucky that I was able to meet you this year. you know the Gym class would have been a drag if you and Sara (truck-treads) weren't in there to. I really don't know you as well as I would like to but I hope as we are around each other more, we can become better friends. Man I hope nothing happens to you like what happened to Sara. Don't tell her I said anything okay (ha) Well it's time now to take our gym test's or almost time.
May God Bless you.
see ya this summer.

Jane -
Remember
the library
in the
was fun. maybe
access together
have a few this summer
see you next year
lots of fun
Weekend

Jane,
I hope times that
we went skiing together
were sure fun. I hope
I see you on the slopes
next year. That is, if your
don't break your leg.
Good luck always

Dear Ugly,

I can't decide what to say because I see ya everyday anyhow (sick!) But, all in all, this has been a pretty tough year. We haven't accomplished much, being kicked out of Royal Fins, flunking driver's training test ect. ect. Its been kind of kick-meeting some sharp people like Mr. Martin - Mr. Sears but we've had the skrags too - like Gayle Adams and her gang. This summer is going to shear relaxation!! Either I'll be at your beach or you'll be at mine and we'll have to have the whole gang there of course - Clark - Frank (ha! ha!) - Sue - and we'll even have to have Carol-baby out to beach sometime! Let's really live it up and I mean it! If we follow my philosophy of life "We only live once - so let's really live!" then we can have the blast of our life times. Even though I'll been riding alot and you'll be at Delano - we still be together enough to get into trouble! If we get on each other's nerves we can just slap each other around a bit! Well I'm sick and tired of writing this but I want to fill the whole page so I guess I'll keep on writing. Water skiing - surfing (at Ocean Shores) (ha! ha!) - Mom's red Nova! (ah-sigh!) - beach parties with Clark - warm summer nights - stereo Beatle records - smoking - moods - soft cool breezes - gad! I could go on all night! (But I won't) Doesn't that describe the perfect summer! But then in 2 years - we're going down to Calif with Gayle Adams + her gang (sick!)

Love ya,
Sara

Dear Janie Babes

Don't let that pinkie Sara Day kid influence you or you'll die in a stone hurt. I've really enjoyed knowing you its that Day kid I regret getting to know. But anyhow I want you stay sweet and keep your ~~calm~~ Don't let pinks like Sara 'rile yo' dandriss up. Have a swinging summer 'cause I sho intend to. I'll call you ~~once~~ in a while to let you ~~once~~ know that I'm (sob) still alive. You can do the same if you like. Well best of luck and well drink a drink to fun, frollic and friends!

(boy friends that is)

Love ya,
Gaylee Baby

Hey Jane Babe,

Well we shore haven't seen much of each other this year. So we better have some good classes next year. (I need someone's homework to copy) This summer I expect to play and beat you at tennis. Stadium is quite a school and one can get lost in it. You better not! Take care of Sara this summer and don't let her get in trouble. See ya this summer. Good luck!

Love ya
Barb

Jane
Lets hope for another boys scout camp Pretty soon, Hope to see you out riding before long. It makes it alot more fun to have a small group going than just one or Two (some exceptions)
a good Friend

Dear Jane

Dear Jane,

It's been great these past four years being friends. We've had many good times and many laughs together. I've always enjoyed your company and your friendly smile. Here's hoping our friendship grows in the next two years. Oh yes, maybe I'll see you out at the beach if you ever keep your phony word! Don't get to chummy with your "shipwrecked lover".

Bye-ee
Debbie

Dear Jane,

I wish I'd had you in at least one class this year. I know we would have had a good time.

I hope you have a nice summer and I hope to see you a few time.

Love,
Amy

Jane
This year sure has flown by and I'm very glad I have gotten to know you. I wish 3 years are just going by and then college. I hope very much that we can remain friends for years to come. I hope to see you in the summer.

Love,
Carol Collins

Jane,
I haven't seen you very much in school this year, except for Latin (that's enough) I hope we can have the same class next year. Maybe I'll see you this summer, (somewhere?) Good Luck and Best Wishes always

Linda

Dear Jane,

Thanks for teaching me so much about cheatin'. You really cute and with a car you'll have enough boys to give me some. Have a good summer. I hope I see you next year.

Good Luck
Margaret Richards
"66" our year

Jane,

I have enjoyed having you in Latin (5th period) throughout the year, and I appreciate the help you have given me in Latin; and don't forget Jane to keep your head with all diligence for out of it comes the issues of life and always keep that place in your heart for the Lord.

Andy Mers

Jane, Miss - soon I'me 'll be juniors - I can't believe it. I only wish we could see Madden sat this year across the room from me for a change. Maybe we'll be in English. Maybe next year we'll have a class together. Anyway I'm hoping so. I've really enjoyed knowing you. Best wishes to Jolliet.

Love,
Kayleen

Jane -
I really had a
lot of fun having you
in class. Don't treat
the boys too bad this
summer.

Best of luck,
Phelon Cole

Jane,
It's been a lot of fun borrowing your pencils in Eng. Hope a heck of a lot of fun this summer. See you next year.

M. K.

Dear ugliest than ugliest Jane, (to bad you aren't as cool as I am - yuk-yuk!)

I've really had a cool time this year! You're able to get in more trouble than anyone I know!.

I hope we can get together a whole bunch this summer - ~~there~~ we've got to plan some parties and have a real riot.

I hope I see ya' next year quite at bit!. Well I'll be talkin' to ya' real soon anyway about this summer so I'll close now - - -

Love & mush,
Sue

P.S.
Don't be to bad
to Chuck or Sandy -
save one for me!.

Dear Jane,

I'm so glad I got to know "athletic, darling" Jane Anderson this year. I just love your "peppy" attitude toward things and your friendly personality ~~so~~ toward everyone. I just hope we have classes together next year and by the way, thanks for your help ?? at the scene of the wreck.

See ya this summer,

Love, Cindy

June,
It was really nice getting to know you this semester. You're really a "cool" kind. Have fun this summer and don't meet too many boys at your beach place — Lots of love your next two years at STADIUM. Bonnie Christ
